Comments: Re: U.S. Application No. 09/061,454
Our Ref: 44912-20228.00

Subsequent to our Missing Requirements filing, we received the updated filing receipt noting the projected publication date. We noticed on the updated filing receipt that the title was incorrect even though it had been correct on the original filing receipt. I've attached copies of both for your convenience. We believe this to be an accidental typographical error on behalf of PTO, however, would we still need to file a Request for Corrected Filing Receipt to change the title back?

Please call me at 202-862-1921 or fax on 202-263-8396. Thanks!
